

## WE ASKED. YOU ANSWERED. WE LISTENED.

After our 2016 survey, we launched the **Fordham University Alumni Association (FUAA)**, including a 24-member advisory board that serves as the voice of the greater alumni community; redesigned the Forever Fordham alumni website to make it more visual and user-friendly; and created new career events and family-friendly activities.

In January, we sent a new survey to all alumni with valid email addresses. The responses from alumni around the world will help the **Office of Alumni Relations** provide useful benefits and services to our alumni community.
